

Scholarship News

It is my pleasure to announce that the Beech Grove High School Alumni Association will be awarding scholarships in June 2024 at our Alumni Dinner at Primos, to eight of our graduating seniors. Hopefully you will be there to meet our winners and enjoy seeing some of your high school friends. All the winners were very happy and thankful to hear that we would be helping them pay some of their expenses for their first year of their higher education. It's not only the money that makes our awards significant, it's also letting them know we really care about them.

When we write this year's winners their checks we will have given \$400,600.00 to 303 graduates. It is my hope that we continue to help our graduating seniors in their quest for higher education. Thank you and many blessings to you and your loved ones.

Best regards,
